

TEAM SCHOLARSHIP AVAILABLE!!

The Michigan Association of Conservation Districts (MACD) has received a grant from Canon Envirothon and the U.S. Forest Service to enhance the ethnic and racial diversity of the Michigan Envirothon. As a result of this grant, MACD is offering scholarships during 2005 and 2006 to new teams comprised of members belonging to an ethnic or racial minority. The scholarship will total \$500! The scholarship will cover the \$100 team registration fee; the remainder of the scholarship will be used to pay for room & board at the State Competition and to help with travel costs. If you or someone you know would be interested in forming a new Envirothon team and taking advantage of this scholarship opportunity, please contact:

Teresa Salveta

Michigan Envirothon Coordinator
